### TECHNICAL SKILLS

- C language
- Python
- Data Structures
- Bootstrap
- Javascript
- React
- MongoDB

### CERTIFICATIONS

- Advanced Excel Course  
Certification-Internshala Career
- Certified in Python from IIT -  
Madras - NPTEL

### CAREER SKILLS

- Communication
- Leadership
- Adaptability
- Creativity
- Commitment

### AREA OF INTEREST

- React
- Backend
- Javascript
- Devops
- AI
- ML

### LANGUAGES

- English (Fluent)
- Kannada
- German (Basics)
- Hindi

### ABOUT ME

A highly motivated and curious Computer Science student passionate about technology, problem-solving, and innovation. Skilled in web development, programming, and working collaboratively in team environments. Strong interest in AI-driven solutions, healthcare tech, and citizen-focused digital innovations. Eager to apply academic learning to real-world challenges and contribute meaningfully to impactful projects.

### EDUCATION
